**Attachments:** SMBNEP\_Governance\_Review\_WAC\_Meeting\_01.24.19.docx

Dear SMBRC Watershed Advisory Council members and interested parties,

Thanks to members and interested parties who attended the SMBRC Watershed Advisory Council meeting yesterday. As a follow-up and a reminder to everyone, including members who were not able to attend, please send me suggestions and comments on priorities for the SMBNEP's 2020 Annual Work Plan by Wednesday, January 30. Also, attached is a copy of the handout distributed at yesterday's meeting. Please feel free to use and fill the questionnaire included in the handout if you have not done so (as this is the same questionnaire already distributed to, and used by Governing Board members), and return the completed form to me by the same deadline (01/30/19). Your input provided via this questionnaire will help to inform the formulation of a more focused e-survey in the next step of this governance evaluation process.

The handout including the questionnaire in Word format is also available for downloading from SMBRC website at [https://www.smbrc.ca.gov/about\\_us/wac/docs/2019/20190124\\_wac\\_meeting\\_governance\\_review.pdf](https://www.smbrc.ca.gov/about_us/wac/docs/2019/20190124_wac_meeting_governance_review.pdf). Please send your comments and questionnaires to me via e-mail at [guangyu.wang@waterboards.ca.gov](mailto:guangyu.wang@waterboards.ca.gov).

Thank you and feel free to contact me if you have further questions.

Sincerely,

Dear SMBRC Watershed Advisory Council members and interested parties,

This is a follow up to my previous e-mail and a friendly reminder that the Watershed Advisory Council meeting will take place tomorrow from 10:00 to 12:00.

One primary purpose of this meeting is to inform and receive input on the development of the Santa Monica Bay National Estuary Program's (SMBNEP) Fiscal Year 2020 Annual Work Plan. This work plan will be the first the one to be developed in accordance to, and implement the newly-adopted SMBNEP's Action Plan for the Comprehensive Conservation and Management Plan (CCMP). To help preparing for tomorrow's input and discussion, the Action Plan can be viewed and downloaded from SMBRC's website at [https://www.smbrc.ca.gov/about\\_us/smbr\\_plan/docs/smbnep\\_ccmp\\_action\\_plan\\_2018.pdf](https://www.smbrc.ca.gov/about_us/smbr_plan/docs/smbnep_ccmp_action_plan_2018.pdf).

We encourage you all to attend and please rsvp by e-mailing me at [Guangyu.wang@waterboards.ca.gov](mailto:Guangyu.wang@waterboards.ca.gov) if you have not done so.
